Women in Islam

Written by Imran Nazar Hosein

There was no Nikah or marriage ceremony performed between the blessed Prophet (sallalahu 'alaihi wasallam) and Aisha.

Would you any one else have a problem with Him ordaining that someone be wife of a man even before marriage?

The marriage could not be consummated until she had reached the age of puberty - i.e., when a girl becomes physically matured.

Do you have a problem with the Divine decision that a woman can become a wife, and can become pregnant before marriage?
